Who are we in Mediadvance Clinical?

We are a Company located in **Chihuahua City, Mexico**, that provides an excellent service to the Pharmaceutical Industry through the development of Clinical Research.

We care about the well-being of our patients

Our Collaborators

We have health professionals in several areas: medicine, chemistry, psychology, nutrition, nursing and imaging.

Highly Experienced Investigators

Our Medical Investigators have extensive experience in Clinical Protocols. In addition, we have a database of more than 50 physicians in different specialties.

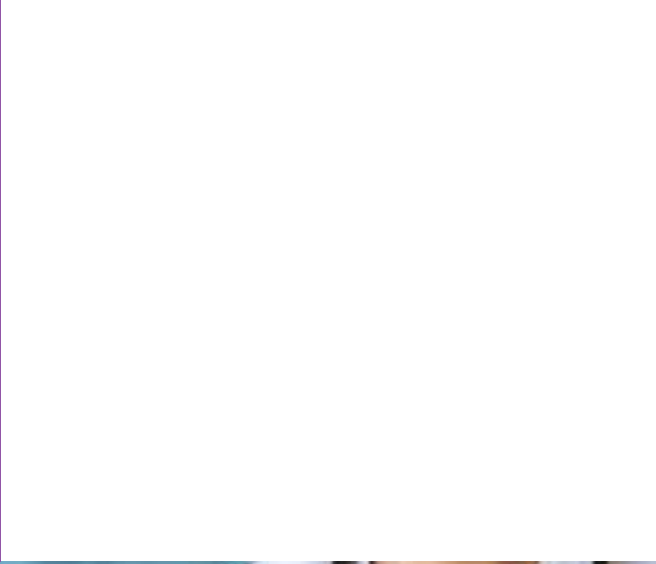

Our Facilities

Located in the heart of the city and only 20 meters away from the Pan-American Clinic of Chihuahua. Our facilities make our patients feel at home.

Quality Management

To ensure the well-being of our patients and collaborators, we have an internal Quality Management program.

We offer a comprehensive medical service in order to facilitate the process of developing Clinical Research Protocols.

What do we offer?

Principal Investigation in Clinical Protocols

Coordination in Clinical Protocols

Oncology Services

Biological samples withdrawal and Clinical Laboratory

Study Medication Storage

Psychological and Nutritional Accompaniment.

Our valuable team.

Our team is made up of health professionals in their various specialties all of them trained in GCPs.

- Medical Specialists
- General Practitioners
- Clinical Chemists
- Psychologists
- Nutritionists
- Nurses
- Radiologists

**Some of the
Medical
Specialists with
experience in
Clinical Research
who collaborate
with us.**

- 
- Dr. Arturo Vázquez - Oncology and gastrointestinal surgery
 - Dr. Lorena Vázquez - Oncología and breast, digestive and endocrine surgery
 - Dr. Cecilia García - Internal Medicine
 - Dr. Carlos Aguirre - Cardiology
 - Dr. Marco Hugo Sánchez - Pneumology
 - Dr. Adelfia Urenda Quezada - Rheumatology
 - Dr. Paul Hernández - Neurology

In addition, we have a
database of more
than 50 Medical
Specialists interested
in participating in
Clinical Research

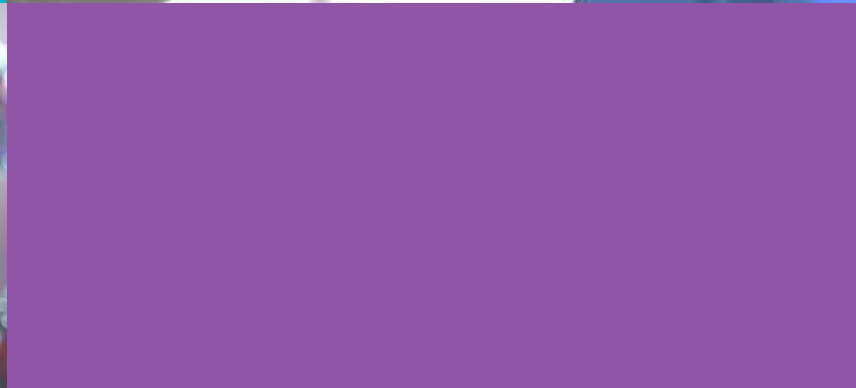

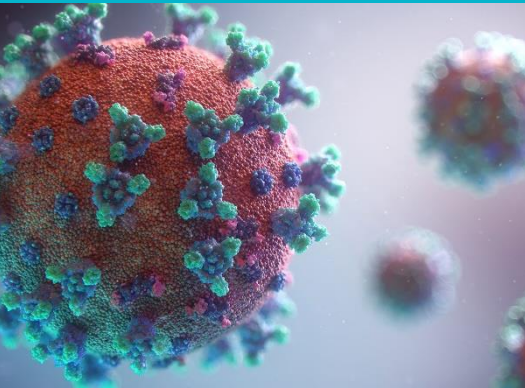

Key Partners

In order to provide a comprehensive service to the pharmaceutical industry, we have partnered with the **Pan-American Clinic of Chihuahua**, which offers services such as

- Emergency Service
- Imaging
- Clinical Laboratory
- Pathology Laboratory
- Admission and hospitalization of patients
- Operating and Surgery Room

Likewise, the Pan-American Clinic of Chihuahua provides us with a database of more than 20,000 patients who are prospective participants in Clinical Research.

We adapt to a new need during COVID-19

We understand the situation the world is currently going through

Therefore, we make our team available to coordinate protocols focused on **new vaccines** for this virus.

For this we count with:

- Pneumologists
- Immunologists
- Epidemiologists
- Agreement with the Pan-American Clinic that attends patients with this condition.

Mediadvance Clinical was born from the need to promote Clinical Research in the region, allowing it to contribute to society, providing first class health services and in turn, generating high value jobs.
